## Racing Collection

A victory march. In a straight line. The legendary Porsche 956 took all the titles in the FIA World Sportscar Championship from 1982 to 1984 in both the driver and manufacturer categories. The first pilot behind the wheel was Jürgen Barth, who put the legendary racing car to the test in March 1982 on our own track in Weissach. After promising drives on home ground, he was off to France later that year, where he competed in the 24-hour race in Le Mans, taking third place. That's not all: first and second place also went to Porsche and the 956.

In short, it was the beginning of a great success story that the Racing Collection continues with its choice of colours and design based on the iconic winner. Bringing this flair and dynamism to everyday life with sporty, casual outfits.
